<<<<>>>>

Sealed Quotations are hereby invited from experienced/eligible agencies for the work of **Felling and disposal of 39 enumerated trees of different sizes, including removal and carting of all generated tree waste** along the alignment of the Metro Rail Corridor from MGBS to Chandrayangutta, as detailed below:

Sl.No	Description	Unit	Minimum Bid Amount	Rate to be quoted by the agency	
				Rs. In figures	Rs. In words
1.	Felling of 39 enumerated trees of different sizes, including the provision of all necessary labour, tools, machinery, equipment, transportation and other incidental charges. The scope shall also include periodic carting and disposal of waste generated from tree felling, removal of stumps/stems/trunks up to a minimum depth of one metre below ground level, and transportation and disposal of all such waste using suitable machinery, equipment and labour. The entire work shall be completed on the same day, ensuring that the site is thoroughly cleared and no traces of tree felling are left behind. (Amount payable by HAML to the agency)	Job work			

GENERAL TERMS AND CONDITIONS:

1. The sealed quotations shall reach the office of the Executive Engineer, 3rd floor, Metro Rail Bhavan, Rasoolpura, Hyderabad Airport Metro Limited. Hyderabad on or before 4:00 PM 20-11-2026 and the same will be opened in

the presence of the agencies or their representatives who wish to be there at 04:30 PM on the same day.

2. The agency shall inspect the site and assess the nature, size and location of the trees before submitting its bid.
3. The quoted amount shall be inclusive of all applicable charges and expenses associated with the execution of the work, subject to the conditions specified in the NIQ.
4. The work shall be carried out only after obtaining the necessary permissions and in accordance with the instructions of the officers of the HAML.
5. The successful bidder is responsible for the safe execution of the work and the proper removal and disposal of the felled trees, as directed by HAML Officer In-charge.
6. HAML reserves the right to accept or reject any or all bids without assigning any reasons.
7. For further details, please contact The Executive Engineer, Hyderabad Airport Metro Limited.

Special Conditions:

1. The laps and tops /Green waste resulting from the felling of trees shall be carted away on a day-to-day basis to avoid inconvenience to the road users (Traffic and Pedestrians), failing which necessary penalties will be levied up to Rs.5000/- per day.
2. The Contractor shall take all the necessary safety precautions such as installing caution boards, cautioning the public, sufficient illumination, barricading, tying of safety ribbon and covering the area surrounding the trees to be felled during the execution of work.
3. Measures should be taken to alert the public during felling of trees to avoid potential accidents.
4. The agency should execute the work in continuous manner without any delay / interruption till the work is completed in all respects including carting of waste & keeping site clear.
5. The agency shall ensure that the workers engaged by him wear safety helmets, safety belts, safety jackets, etc., and take all necessary precautions while executing the work to prevent injury/death to the workmen and others during the execution of work.
6. Sufficient number of men & machinery should be engaged to facilitate speedy felling of the trees with minimum inconvenience to road users as directed by the Engineer-In-Charge.
7. The contractor has to make his own assessment of the quantity and type of trees for felling as a job work before bidding.
8. The Contractor shall deploy sufficient machinery, manpower and other resources to ensure that the work is completed in time and as per the specifications.

9. The price quoted by the Contractor shall include overhead charges, insurance, and all other charges/costs associated with the work.
10. The bidder shall visit the site and satisfy himself the nature of the work, quantum of the work, and site conditions before bidding for the work. No claim on account of this will be entertained at a later date.
11. The contractor shall ensure that the underground and overhead utilities, buildings, structures are not damaged during the execution of work and shall take all necessary precautions to prevent damage. The contractor shall be solely responsible for any damage that may occur to the utilities while executing the work.
12. If any untoward incident occurs, the contractor will be solely responsible for any consequences /claims arising due to such incidents / damages to the life and property.
13. The Contractors shall obtain all the necessary permissions from the Statutory Authorities for executing the work.
14. The payment towards carting and disposal of tree waste, including removal of stumps/stems/trunks, shall be made by HAML to the agency based on the accepted quoted rates, only after satisfactory completion of the work and certification by the Engineer-in-Charge.
