CORRIDORS OF POWER

A no non-sense officer

New Chief Secretary S.P. Singh is known to be a no-nonsense man and makes no bones about being stern with his

subordinates if the work assigned is not done as per plan. Many may not be aware that it was during his tenure as the municipal administration secretary he shepherded a series of reforms in the building regulation through the common building rules.

Mr. Singh was also instrumental in getting the metro rail authorities to go in for the Corridor Three line - Nagole to Hi-Tec City -- insisting there was a heavy traffic from that end of the capital to the new growth region. This was after the Delhi Metro Rail Corporation gave detailed project report on Corridor One line - L.B. Nagar to Miyapur and Corridor Two line - Jubilee Bus Station to Falaknuma.
