

**Media Release  
December 20, 2017**

CEOs (Chief Executive Officers) Club, Hyderabad Chapter felicitated MD, HMRL Mr.NVS Reddy along with three of it's other members on the remarkable success achieved and services rendered to society by them in their respective spheres of activity on Wednesday (20.12.2017).

Addressing about 150 elite members of the CEOs' club who are mostly founder-Chairmen & Managing Directors of some of the top companies of Hyderabad, Mr. NVS Reddy explained various innovations that have been done in the Hyderabad Metro Rail project by giving a comprehensive picture of the project which is the world's largest Metro Rail project in public private partnership (ppp). Speaking on the intricacies and complexities involved in building huge infrastructure urban projects in Indian cities, he explained how innovative engineering and financial solutions helped resolving several complex issues and gained support from the people of the city. He explained as to how he handled several agitations against the project with immense patience and tact; and as to how leaders of various groups which burnt his effigy several times ultimately saw reason and signed agreements with him on the dotted lines due to his persuasive approach.

Dwelling upon the character and attributes of extraordinary leaders who made a difference to the world, Mr.Reddy stressed on the need for vision, strategy, tact, patience and perseverance in handling challenges and explained as to how to motivate and inspire the team members especially during crisis periods, to execute tough projects. Identifying employees' potential and empowering them with proper strategies is a key component for achieving success, he added.

Thereafter, a panel discussion was conducted by Mr.C.Parthasarathy, Chairman, Karvy group in which Mr.NVS Reddy, Rainbow Hospitals group founder Chairman Dr.K.Ramesh, Phoenix group founder and Consul General of South Korea in Hyderabad Mr.Suresh Chukkapalli and the MD of MRL Posnet Pvt Ltd. Mr.Kishore Kothapalli who recently made waves in software start up industry when his company was bought over by a multinational company for a few hundred million dollars, discussed and analyzed their struggles, challenges and the strategies adopted by them to overcome the challenges; and the significant contribution made by them to society at large.
