## HMRL OPENS ESCALATOR AT LB NAGAR STATION

**Hyderabad:** Hyderabad Metro Rail Limited (HMRL) on Saturday announced the opening of a new escalator at Arm-B of the LB Nagar Metro Station. In a statement, HMRL said the latest addition would help streamline the flow of passengers, especially during the peak hours, and enhance the overall commuting experience. The station is one of the busiest on the Metro Rail network and caters to about 70,000 passengers a day. N.V.S. Reddy, HMRL managing director, "With this, commuters would have an additional option to access the station conveniently."
