L&T Metro Rail (Hyderabad) on Monday extended its popular passenger offers, including the 'Super Saver Metro Holiday Card', 'Metro Student Pass' and 'Super Off Peak Hour Offer' for another six months.

A new 'customer loyalty programme' was also launched to appreciate frequent passengers and encourage them to continue using the Metro. A customer loyalty stall has been opened at the Ameerpet station, where eligible passengers can claim rewards. It is a monthly programme and the more a passenger travels, the greater will be the rewards to be earned, said an official release.

HMR MD N.V.S. Reddy appreciated the passenger feedback and reiterated the Metro's commitment towards providing convenient and affordable travel options to Hyderabadis.
