

SHE teams deployed on Hyderabad Metro

The Hindu Bureau

HYDERABAD

The Hyderabad Police have deployed 'SHE' teams at the metro stations and in the trains towards providing heightened security and to prevent harassment to the women riders in the Hyderabad Metro Rail. This is apart from providing them dedicated space inside the coaches for women, informed HMR Managing Director N.V.S. Reddy and L&T Metro Rail MD K.V.B. Reddy on Thursday.

Participating in a "safety seminar" organised by L&TMRH, Mr. N.V.S. Reddy pointed out to the Hyderabad Metro's achievement of a zero-fatality record during construction and its numerous safety awards.

Mr. K.V.B. Reddy reiterated Hyderabad Metro's unwavering commitment to safety. He assured passengers and staff that the metro system would continue to prioritize safety and implement enhanced measures. L&TMRH COO Sudhir Chiplunkar urged riders to read the safety charter and follow the guidelines to ensure their own safety and the safety of others.
