

HMRL CHIEF: HYD METRO IS SAFETY BENCHMARK

DC CORRESPONDENT
HYDERABAD, MARCH 7

Hyderabad Metro Rail (HMRL) has maintained an impeccable safety record with no untoward incidents reported since its inception, owing to its high safety standards, innovative engineering, and global best practices, said HMRL managing director N.V.S. Reddy on Friday.

Addressing the 54th National Safety Week event at the National Remote Sensing Centre in Balanagar, N.V.S. Reddy emphasised that world-class safety measures have ensured Hyderabad Metro's accident-free operation.
