

**Media Release
November 30, 2019**

MD, HMRL Mr NVS Reddy has shown practically how “vision and action” combination leads to success, said Mr Rajiv Trivedi, Director General, Prisons at Chenchalguda Jail training center, here on today. (Nov.30, 2019).

Addressing the senior police officials at **Telangana State Prisons Retreat 2019**, Mr Rajiv Trivedi said Mr NVS Reddy has deftly combined many facets related to transportation, urban planning, social development, etc., and stood as an outstanding leader in making the Hyderabad Metro project under PPP mode a reality.

Speaking at an inspirational dialogue at **Retreat 2019**, as Chief Guest, Mr NVS Reddy has detailed at length the innumerable challenges that the Hyderabad Metro Rail project faced which were successfully overcome with determination and innovative strategies. He said that the Hyderabad Metro was constructed in PPP mode, without spending much of taxpayers’ money and that it has become a case study and a role model for many upcoming metros across the globe.

Stating that Hyderabad Metro Rail is a unique project with a lot of foresight and innovation, Mr.NVS Reddy has highlighted major digital solutions/cutting edge technologies that were used in the project. With such advanced solutions and technologies, Hyderabad Metro has won 98 awards so far and is taking the city to the next level of development, he added.

HYDERABAD METRO RAIL LIMITED

(A Government of Telangana Enterprise)

Earlier, Mr N. Murali Babu, Supdt of Jails gave a PowerPoint presentation on expansion of prison industries and several innovative initiatives of Telangana Prison's department. Several senior police officers have praised Hyderabad Metro Rail for bringing world class technologies and travel facilities to Hyderabad.
