

## MAKEMYTRIP & HYDERABAD METRO JOIN HANDS TO OFFER SEAMLESS MOBILITY

GO CASHLESS, CUT THE QUEUE, GET HYDERABAD METRO e-TICKETS ON MAKEMYTRIP

**Hyderabad, 23 December 2019:** MakeMyTrip (NASDAQ: MMYT), India's leading online travel company, together with L&T Metro Rail (Hyderabad) Limited today, introduced QR code based e-tickets for Hyderabad metro that will provide cashless, convenient and connected experience to more than 4 lakh riders using the service every day. The tech-powered ticket booking feature will help commuters beat queues at the metro stations and experience seamless connectivity.

The feature, embedded with a Quick Response (QR) code will allow riders to pre-book two different type of tickets; *Single and Return Journey Ticket* for single or two-way journey. Starting this week, commuters will be able to book tickets for twenty stations including Nagole, Uppal, Tarnaka, Secunderabad, Ameerpet, Durgam Cheruvu, Raidurg, JNTU, KPHB, Kukatpally, Dilsukh Nagar and LB Nagar among others. By end of January 2020, the feature will be rolled out across all 49 stations.

Starting today, commuters will be able to book the 'Single and return Journey ticket' and in the subsequent phases, Trip Pass and Store Value Pass can also be booked through MakeMyTrip's website and app.

*Speaking on the occasion, Mr. NVS Reddy, Managing Director, Hyderabad Metro Rail Limited, shared "With the launch of the QR code-based ticketing on Hyderabad metro by MakeMyTrip, we have taken a strident step towards creating urban mobility solutions that are future ready. We believe that by offering these tech powered solutions we are going to serve the transit needs of commuters more efficiently and seamlessly in the city."*

Sharing his thoughts on the launch **Mr. Rajesh Magow, Co-Founder & CEO, MakeMyTrip** said, "We are excited to announce our foray into metro ticket booking with Hyderabad Metro, one of the fastest growing urban transit networks in India. As India's travel SuperApp, MakeMyTrip is committed to make travel more convenient while constantly raising the bar for customer experience. By leaning in on technology to offer urban mobility solutions, we are confident of setting new benchmarks in the intra-city travel space as well." "As one of India's leading IT city that is seeing tearing Digital Adoption, we are confident that more and more people in Hyderabad will see value in using a travel super app on their smartphone to keep their commute simple and hassle-free" added Mr. Magow.

**Mr. KVB Reddy, Managing Director & Chief Executive Officer, L&T Metro Rail (Hyderabad) Limited,** added "We at L&T Metro are committed to introduce next-gen technology in metro ticketing for passenger convenience and progressively moving to cashless digital platform. The partnership with Makemytrip is a step in that direction".

**Mr. Anil Kumar Saini, Chief Operating Officer, L&T Metro Rail (Hyderabad) Limited,** added "The launch of mobile QR ticketing on Hyderabad Metro in partnership with Makemytrip is milestone day for the people of Hyderabad. Such collaborations would also extended with other major apps".
