A comprehensive vaccination drive for all Metro Rail employees has been launched at Metro Rail Bhavan, Begumpet today (Monday). HMRL MD Mr N.V.S.Reddy has stated that as a part of Government of Telangana's initiative to curtail the spread of COVID-19, about 700 Metro Rail security personnel, HMRL staff, their family members & others were administered the first dose of vaccine today.

Simultaneously, vaccination of all the frontline Metro Rail station staff loco pilots and others is also organized by L&TMRHL, he added.
