

There is good response to the Request for Qualification (RfQ) tender for the General Consultants (GC) for the Hyderabad Airport Metro corridor, stated Hyderabad Airport Metro Ltd. (HAML) MD Mr. NVS Reddy. Five consortiums consisting of 13 highly reputed Indian and International engineering consultancy companies have submitted their bids for pre-qualification for participating in the GC bids. They are as under:

- 1) Systra (France) + RITES (India) + DB Engineering & Consulting (Germany)
- 2) AyesaIngenieria y Arquitectura (Spain) + Nippon Koei (Japan) + Aarvee Associates (India)
- 3) Technica y Proyectos (TYPASA) (Spain) + PINI Group (Switzerland)
- 4) AECOM India + Egis Rail (France) + Egis India
- 5) Consulting Engineers Group (India) + Korea National Railway (South Korea)

After evaluation of their applications, the next stage bid documents i.e., the Request for Proposal (RfP) documents would be issued to the pre-qualified bidders by this month end, added Mr NVS Reddy.
