GENERAL TERMS AND CONDITIONS:

1. The sealed quotations shall reach the office of the Executive Engineer, 3rd floor, Metro Rail Bhavan, Rasoolpura, Hyderabad Airport Metro Limited. Hyderabad on or before 4:00 PM 07-11-2026 and the same will be opened in the presence of the agencies or their representatives who wish to be there at 04:30 PM on the same day.
2. The minimum bid amount to be quoted by the bidders is Rs. 1,98,304/- (Rupees One Lakh Ninety-Eight Thousand Three Hundred and Four only).

3. The agency shall quote an amount not less than Rs. 1,98,304/-. Any bid quoting an amount below the prescribed minimum shall be rejected outrightly without intimation.
4. The agency shall inspect the site and assess the nature, size and location of the trees before submitting its bid.
5. The quoted amount shall be inclusive of all applicable charges, and expenses associated with the execution of the work, as per the conditions specified in the NIQ.
6. The work shall be carried out only after obtaining the necessary permissions and in accordance with the instructions of the officers of the HAML.
7. The successful bidder is responsible for the safe execution of the work and the proper removal and disposal of the felled trees, as directed by HAML Officer In-charge.
8. HAML reserves the right to accept or reject any or all bids without assigning any reasons.
9. For further details, please contact The Executive Engineer, Hyderabad Airport Metro Limited.

Special Conditions:

1. The waste resulting from the felling of trees shall be stacked at safe place as directed by HAML on a day-to-day basis to avoid inconvenience to the road users (Traffic and Pedestrians), failing which necessary penalties will be levied up to Rs.5000/- per day.
2. The Contractor shall take all the necessary safety precautions such as installing caution boards, cautioning the public, sufficient illumination, barricading, tying of safety ribbon and covering the area surrounding the trees to be felled during the execution of work.
3. Measures should be taken to alert the public during felling of trees to avoid potential accidents.
4. The agency should execute the work in continuous manner without any delay / interruption till the work is completed in all respects including carting of waste & keeping site clear.
5. The agency shall ensure that the workers engaged by him wear safety helmets, safety belts, safety jackets, etc., and take all necessary precautions while executing the work to prevent injury/death to the workmen and others during the execution of work.
6. Sufficient number of men & machinery should be engaged to facilitate speedy felling of the trees with minimum inconvenience to road users as directed by the Engineer-In-Charge.

7. The contractor has to make his own assessment of the quantity and type of trees for felling as a job work before bidding.
8. The Contractor shall deploy sufficient machinery, manpower and other resources to ensure that the work is completed in time and as per the specifications.
9. The price quoted by the Contractor shall include overhead charges, insurance, and all other charges/costs associated with the work.
10. The bidder shall visit the site and satisfy himself the nature of the work, quantum of the work, and site conditions before bidding for the work. No claim on account of this will be entertained at a later date.
11. The contractor shall ensure that the underground and overhead utilities, buildings, structures are not damaged during the execution of work and shall take all necessary precautions to prevent damage. The contractor shall be solely responsible for any damage that may occur to the utilities while executing the work.
12. If any untoward incident occurs, the contractor will be solely responsible for any consequences /claims arising due to such incidents / damages to the life and property.
13. The Contractors shall obtain all the necessary permissions from the Statutory Authorities for executing the work.
